

# THE MONTHLY GAZETTE

## WEATHER OR NOT...

Use this November weather lore to predict the weather in the future months: Ice in November brings mud in December. As the weather is in November, so it will be in March. Thunder in November means a fertile year to come.

## Show Your Birthday Colors...

**November 1–11:** White You love to dream big, and you have many goals in your life. While others might be overwhelmed by such a long to-do list, you are a hard worker and persevere until you have done everything you wanted to accomplish. Your friends and family admire your ambition.

**November 12–21:** Gold Always in a good mood, you enjoy living life to the fullest. You are outgoing and are always open to meeting new people or trying new things. You have a strong moral fiber and a keen sense of right and 2 wrong; you do not tolerate injustice. You don't like to sit still and are always looking for the next fun thing to try.

**November 22–30:** Cream To you, life is a challenge, and you are more than happy to step up to the plate! Through good times and bad, you remain joyful and undeterred by any obstacles along the way. You are easy to trust, and those who are close to you know they can confide in you and come to you for sound advice

**Remembrance Day  
(Canada) November 11**

**Thanksgiving Day  
(U.S.)**

**November 23**

## Facts Of The Month: November

November is the eleventh month on the Gregorian calendar, but before January and February were added to the calendar, November was the ninth month.

### Fill Up on Turkey Trivia

- A turkey typically has about 70 percent white meat and 30 percent dark meat.
- Americans eat about 690 million pounds of turkey on Thanksgiving—the weight of the entire population of Singapore.
- Astronauts eat turkey on Thanksgiving, too. One of the first meals in space was a turkey dinner.

### Flower of the Month
